REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Prior art fails to teach the combined steps set forth in the independent claims. The arguments set forth in applicant's appeal brief were found to be persuasive by the examiner. In particular there is no motivation to combine the teachings of Jensen, Jr. to the admitted prior art in view of Krawczyk.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
